

Legal Expense Insurance for Landlords

Why Legal Expense Insurance for Landlords?

Every landlord hopes to have a straightforward, trouble-free relationship with their tenants but sadly more often than not this isn't the case.

If things go wrong such as a tenant refusing to pay rent or damaging the property, it will likely be time consuming and expensive to sort out. This is where our unique Landlord's Legal Expense Insurance product can help.

We will appoint a lawyer to represent you and pay their costs to protect your rights as a residential landlord arising from property damage, repossession, recovery of rent arrears and property-related prosecution defence.

What happens if...

Recovery of rent arrears example*

Bryan was renting out his property which he had inherited from his parents, however the tenants stopped paying rent and refused to vacate the property. Despite numerous attempts to remedy the arrears or situation, Bryan had no alternative but to take legal action. Bryan contacted ARAG who provided initial information via the Legal Information Helpline, before a formal claim was made. ARAG contacted the tenant however they were unable to come to an arrangement. Legal proceeding was undertaken to recover outstanding monies and eviction from the premises. The legal costs were met by ARAG, and all outstanding rent was collected.

Contract disputes example*

Sam hired Colour Me Painting Company to repaint his rental property. Upon completion of the work Sam noticed the paint quality was not the same as quoted. Colour Me Painting advised that the original paint was unavailable and was substituted. Sam argued that the job should be redone with the correct paint. Colour Me Painting Company refused to take any further action and was demanding full payment despite an inferior product being used. Sam contacted his broker who advised that he had Legal Expense cover for landlords. ARAG were contacted and a claim was accepted, ARAG appointed lawyers and a Statement of Claim was issued against the painting company who in turn sought to negotiate a settlement outside of court. Colour Me Painting Company repainted Sam's entire property with the agreed paint and price. Other than the excess Sam did not have to spend anything further.
